Orientation: You will be emailed prior to start of rotation with details. Please email or page Dr. Gensler if you have not heard anything or need to discuss specific details for your month, including vacation change, continuity clinics, jeopardy etc.

Rheumatology Journal Club—Last Tuesday of the month – 8:30-10:00 AM

- Please contact the Moffitt Rheumatology Fellows regarding time and place of inpatient rounds

JEOPARDY: OK

VACATION: 1 week maximum. However residents with AoD commitments on Friday mornings are strongly discouraged from taking vacation. Also, residents who anticipate time away for fellowship/job interviews cannot take vacation in addition. Please discuss with Dr. Gensler if this issue arises.

CAN THIS ELECTIVE BE STRUCTURED BY HALF-DAY? Yes
DESCRIPTION: Five ½-day clinics with teaching conferences. Didactic teaching conferences are on Tuesday mornings and with every clinic. Some in patient consults at Moffitt.

EDUCATIONAL OBJECTIVES: At the conclusion of the elective, the resident will be able to:
• Evaluate patients with rheumatic diseases and form a differential diagnosis.
• To be able to generate an appropriate differential diagnosis in a patient with rheumatic complaints.
• Do a comprehensive physical exam including a complete musculoskeletal exam.
• understand treatment options in a patient with a rheumatic disease.

WILL THE ELECTIVE ACCEPT INTERNS? : Yes
